

EXECUTIVE PROFILE

Peter Jeffrey

FORENSIC FIRE EXAMINER

QUALIFICATIONS

- Master of Science (Forensic Science), University of Technology Sydney, 2018
- Basic Fire Debris Analysis, University of Central Florida, 2016
- Diploma of Public Safety (Policing) 2014 (Dux)
- Bachelor of Science (Chemistry), University of Western Australia, 2011

ROLE

The examination of fire scenes and the determination of the origin and cause of the fire. This involves piecing together the series of events or circumstances that led to the ignition and development of the fire. Processing a fire scene requires care and attention to detail to ensure all evidence is systematically recorded as it may be required in court.

SPECIALISATION

As well as his role examining fires in the field, Peter also works in our in house laboratory as an alternate analyst and acts as a peer reviewer of much of the report output, a necessary task for our NATA accreditation.

JOINED GKAIG

January 2016

INVESTIGATIONS

Completed over 350 preliminary and in depth fire examinations.

OUTSIDE OF WORK

Peter practices and teaches karate and is a Second Dan Black Belt. He has competed at a national level. An avid gamer and reader he also loves to spend time with his wife and 4 month old daughter.

“The circumstances that lead to an accidental fire can be more complex than cases of arson, which are often readily identified.”
